

Der Landgasthof

Welcome to the Ybbstalhof !

Traditional hospitality in a family-owned country-hotel

Our hotel is situated in an idyllic village in the so called "Mostviertel" (must-quarter), famous for its thousands of fruit trees, enchanting you especially in springtime when they are in full bloom.

We are located 3 km east of Amstetten, between A1-exit "Amstetten Ost" and "Amstetten West" (Vienna 120 km, Linz 50 km and Salzburg 170 km).

Our chef will spoil you with authentic local specialities as well as international cuisine, accompanied by a selection of Austrian wines from our wine cellar. You, your family and your friends will enjoy your meals either in our rustic dining room or our cosy lounge. During summertime our garden invites stressed parents to relax under shady trees watching their children enjoy playing games.

A small dining room is available for all kinds of special occasions. For weddings, birthday parties for young and old, anniversaries as well as seminars the Ybbstalhof is the perfect place to celebrate.

Special offers for group bookings.
